

# Personal Ambition Questionnaire

## My Values

What are the most important things in my life?

Why are these important to you? For each of the above: This is important because...

When you leave this world, what do you want to be remembered for?

**My Income**

What is your current income level?

Are you happy with this level?

What do you want it to be in 3/5/10 years time?

How do you believe you can achieve this?

What's stopping you from doing it now?

What would you use this income to do? What's it going to fund? Think big? How does it relate to your values above?

**My Purpose**

On a day-to-day basis, what is it you love doing the most?

What's stopping you having your perfect work week?

What really frustrates you about your business? What really frustrates you about your normal week?

What do you hate doing and why?

If money wasn't an option, what would you spend a blank business cheque on?

What would be my perfect week if I wasn't at work?

What's stopping you doing it?

If you were given a blank personal cheque, so you were now financially free, what would you do now?

Why would you do this or these things?

What is your long term goal?

When do you want to do these things?

How much income or financial fund would you need to do it?

How would/could you fund it?

What other personal goals do you have? What else is on your bucket list?
